Grade School Negotiations May Resume

Contract negotiations between the Antioch Grade School district and its teachers may be resumed in the near future.

The district's board of education met Tuesday night and the agenda included an appearance by representatives of the teachers. Their statement apparently was designed to get negotiations started again.

Talks broke down recently when the school board made a "final offer" and the teachers refused it. The school board and the teachers reportedly are apart on both salary and fringe benefit items. The teachers are working this school term without a contract.

Grade School Referendum Is Saturday

Voters in Antioch Grade School District No. 34 will go to the polls Saturday to decide on a \$1.4 million referendum.

If voters approve the proposal the district will build a new elementary school and make state-required safety improvements at the Lower Grade School and at Oakland Grade School.

The total cost would be \$2,361,560, but the state has promised a grant of \$961,560 if district residents vote "yes" in the referendum.

The new school, for kindergarten through fifth grade, probably would be built near the Upper Grade School. The old Channel Lake School would be closed. The state has cited its

"very poor physical condition." The total project would have a target date of completion by August of 1977.

The state legislature has established a Capital Development Board for the purpose of giving state financial assistance to public building programs, with the monies coming from sources other than property taxes, (primarily state income tax, sales tax and lottery.)

Three Antioch schools had corrections required under the Life Safety Code. Estimates amounted to: \$161,758 for Channel Lake, 152,387 for Antioch and 47,240 for Oakland.

Last year there were 93 children in portable classrooms at Oakland. (This year two additional special education classrooms and music are in portables.)

District 34 applied for assistance from the state Capital Development Board. In turn the board sent a team of men to investigate the details of the Life Safety Survey and enrollment needs. On the basis of this investigation a state grant of \$961,560 was issued to District 34, providing the district provide the funding for the remainder of the total program by Oct. 31. The grant was made on the following basis:

The capital Development Board would not permit any money to be spent on the Life Safety work at the Channel Lake School, but did allocate \$257,218 toward the other Life Safety work needed.

It then declared the 175 children at Channel Lake and the 93 children in the Oakland portables as children in temporary housing. It then granted an additional \$704,342 toward a new school for these children.

THE BUILDING program proposed is as follows:

Studies in France

Robin Allbritton of Rt. 1, Maillard Drive, Antioch, is among 13 students at Illinois State University who have begun a semester at the

university's center in Grenoble, France. The students are participating in the school's International Studies program.

AMONG THE MANY performers who delighted the audience last Saturday at the PM&L Theatre were Don MacKenzie and Mary Chris LaKome. They are featured players in "The Man Who Came To Dinner," which will be staged again this Friday and Saturday at 8:30 p.m.

Services Cost More In Larger Cities

Cities under 50,000 population spend an average of \$158.32 a year per capita for municipal services, according to figures from the Tax Foundation, Inc. But cities of over a million population average \$681.14 per capita for their services.

Hunley and Friends Very, Very Good

"The Man Who Came To Dinner" stays on the PM&L stage for about 2½ hours and you will enjoy every minute of his presence.

Josef Hunley plays the classic comedy part of "Sheridan Whiteside" and he does it professionally, enjoyably and without a flaw.

Having moved to Antioch only 18 months ago, we knew Mr. Hunley only as a radio announcer. Now we also know that he is an accomplished actor ... and on the PM&L stage, which gives very professional performances.

THE FAMOUS comedy opened Saturday night to a very appreciative and responsive audience. It will be repeated this Friday and Saturday at 8:30 p.m., and again on Oct. 24 and 25.

Reservations are a good idea and you can get them by calling 395-3055.

The story, as most of you know, revolves around a famous radio personality named Sheridan Whiteside, who dines at the small-town home of Mr. and Mrs. Ernest Stanley, breaks his hip on their doorstep and destroys all domestic tranquility for six weeks.

Mr. Hunley, as Mr. Whiteside, dominates the play with his delightful moods, ranging from lovable to intolerable.

But the entertainment goes far beyond that as a cast of 36 contributes to a fast-paced show that makes for a thoroughly delightful evening.

THE CAST is packed with persons who are among PM&L top stars.

Some of them, like Ken Smouse who recently was outstanding in "Fiddler on the Roof," take small parts and are great in them.

Just as professional and delightful as Mr. Hunley are Mary Chris LaKome as Sheridan Whiteside's secretary and Pat Jamison as an opportunist, middle-aged actress.

Miss LaKome and Miss Jamison do not make mistakes on stage. Their every express-

IT SURE is nice to see Antioch's Sequoits carving out a winning football record. We told Coach Roy Nelson how happy we are about this season's successes and he shrugged it off.

"The kids and assistant coaches Steve Wapon and Ted DeRousse do all the work," he said. "However, I think I did a good job of getting them on the bus and finding the field."

FASTER THAN a speeding bullet last Saturday night was Dr. Al Bucar.

At 11:15 p.m. we were applauding Al and other members of the cast as they took their bows on stage at the PM&L Theatre, following the opening night performance of "The Man Who Came To Dinner."

We left the theatre, got into our car and drove to Lorenz's where the Bicentennial Ball was taking place. And there, at 11:25, was Al, in costume, dancing with his wife, Phyllis.

For a moment we thought he was identical twins. But I understand he was at Lorenz's earlier, went to the theatre for his comedy appearance in the third act, and immediately returned to Lorenz's.

ALMOST, BUT not quite, overshadowed by professional football and the World Series was the big Victory scored by the Antioch Fire Department softball team.

Our heroes trounced the Silver Lake firemen 25-7 in a beer game at the Little League field. A good time was had by all, especially after the game when Silver Lake had to buy the beer.

Dennis Volling hit two home runs for Antioch and Manager Scotty Lowe, probably because he didn't want Silver Lake to suffer any more, immediately benched Volling.

His fellow firemen said that Dale Frasch was outstanding again in his play at shortstop. Dale recently pitched the Antioch firemen to victory in a game against Felter's Subdivision.

Not all the big sports events are happening in Cincinnati, Boston and Manila.

GOLF CLUBS, you know, are numbered according to their loft. If you want to hit the ball low, you might use a No. 2 iron. To hit it high, you might use a No. 9. The more loft, the easier it is to hit the ball into the air.

We often use a No. 5 wood, which we thought was about as lofty as a wood could get. But John Boarini showed up this summer with a No. 11 wood and a No. 15 wood.

Unheard of!

Naturally, his opponents, Mike Haley and Dick Daniel, challenged their legality. But in a fantastic maneuver of one-up-

BARRY GOLDWATER

Congressmen Hurt Our Intelligence System

By SEN. BARRY GOLDWATER

The United States is already beginning to suffer because of the shortsighted action by the House of Representatives to cut off military aid to Turkey.

It is now painfully obvious that the bases we lost in Turkey as a result of the aid ban were integral parts of our intelligence system.

The Baltimore Sun quoted confidential reports which indicated that the loss of the Turkish bases has already caused us to miss important data on Soviet weapons, particularly a new ballistic

missile the Soviets are now testing.

THE LACK of a key radar station in Turkey has precluded measurement of the distance covered by the new weapon, the SSX-20, in a test conducted Sept. 4.

According to intelligence reports circulating at the Pentagon, the Russians have accelerated their rate of test firing with the SSX-20. The missile is one of Russia's intermediate-range types that probably would be aimed at targets in Europe and China. Estimates by Western obser-

vers claim the new missile may be ready for deployment at operational sites early in 1976. This is what makes data on its performance in the final rounds of testing especially valuable.

The SSX-20 is fitted to carry three independently targeted nuclear warheads and is said to be a remarkable improvement over the approximately 1,000 medium-range missiles it is scheduled to replace. If it performs as expected, the SSX-20 will have a range of 2,400 miles. It is a two-stage, solid-fueled, fast-firing rocket derived from a new intercontinental missile called the SSX-16.

WHEN TURKEY retaliated to the cutoff of military aid it closed a number of U.S.-operated facilities, including one at Diyarbakir which formerly kept tabs on land-based missiles and satellites being tested in the Soviet Union.

The American-Turkish dispute still may be settled before too long. The senate has voted to restore the military aid, and the measure is now pending in the House.

Along the way with ANNIE MAE

The Lions Club's "Candy Day," to help the blind and save those who might otherwise become sightless, is really something else in this town.

In a larger community you wouldn't recognize all those guys who are out on the street in their yellow hats and aprons, giving away candy and accepting donations.

But in Antioch they're all your best friends.

I don't mean to slight any of those who worked during "Candy Day," but in my own personal travels around town Friday I saw John Teresi, Ev Oftedahl, Gus Costoff, Jim Knigge, Pete Cleven, Bill Seemann, Bud Seichowski, Cliff Houghton, Les Sorensen, Pres Reckers and a few others whom we all know and like.

In your business about town, you probably saw dozens of others who are friends of yours. Naturally, as each of the 10 I mentioned held out their canisters, I put in a \$20 bill. (How dare you say you don't believe me?)

But, anyway, I'm sure those super-salesguys raised a lot of money for the conservation of

sight, and it was a lot of fun to see their smiling faces on Main and Lake streets, and over at the intersection of 83 and 173, where only the agile ones like Jim Knigge, Cliff Houghton and Jack Siegmeier could have survived the traffic coming from all directions.

A belated happy birthday to Kim Herbst, who was "sweet sixteen," Oct. 11.

HAPPY wedding anniversaries coming up tomorrow, Oct. 16, for Ken and Betty Smouse, and for Harold and Millie Gaston.

the 17th, Dale Frasch on the 18th, Betty Smouse on the 20th and Lena Dalgard on the 21st.

Last Sunday, Oct. 12, was the birthday of William J. Murphy, head of the Lake County Republicans. We're sure it was a happy one, because Bill is always a delightful gentleman.

A girl, Karen Lynn, was born Sept. 30 to Mr. and Mrs. William J. Starr of 8814 Briar Ct., Des Plaines. Karen was born at Lutheran General Hospital in Park Ridge and weighed 7 lb. 4½ oz. Grandparents are Mr. and Mrs. James Gleason of Antioch.

CURT JOHNSON of Petite Lake has the right idea. He has left for Vail, Colo., for a "skiing vacation" that will last till April. Curt is well-known in Antioch as a beer truck driver and formerly a part-time bartender at the World Famous Village Pub. If we were 20 again, we'd take off till April, too; except it probably would be to the Bahamas.

THE LAKE Region Homemakers are busy sewing up a storm for their Fashion Dinner Show, "Here we Sew Again." Many lovely prizes will be on hand, including homemade and handmade items. letter to the editor

The article last week regarding the Grade School Building Referendum was very well done. In the interest of preventing any misunderstanding, I believe the answer to the last question warrants more detail.

The question was, "Is it true that this referendum, when passed, will not affect the taxes of many of our retired or disabled person?" It is true that many of our retired people do now get a refund on their property tax. If the income of a retired person or couple in a household is less than \$10,000 and if their total residence

property taxes amounts to 4 percent or more of their income, then they are entitled to a refund on their property taxes for everything over the 4 percent, up to a maximum refund of \$500.

This refund money comes from the state, out of the state income taxes, the sales tax, and lottery money.

This formula also applies to retired or disabled renters providing 25 percent of their rent amounts to 4 percent or more of their income.

Example: a retired couple

'Upper Grade' Plans Bicentennial Fair

If you have driven past the Upper Grade School recently, you may have noticed additions to the log cabin there.

Eighth graders, armed with saws, chicken wire and concrete, have been at work again. This time, they have been chinking the cabin walls and building a new peaked roof of split logs.

Their efforts are part of a construction plan with a deadline. On Sunday, Oct. 19, and on Saturday, Oct. 25, the students will be producing a Bicentennial Fair for the public, on the school grounds by the cabin.

The activities will be from 1 to 4 p.m. on both afternoons.

Preparations for the fair have been underway for several

weeks in social studies and language arts classes, under the direction of teachers John Estep, Susan Campagna, Bill Anderson and Toni Fisher.

It is not unusual to see eighth graders debarking from the bus in the morning with kettles, lard, plywood and popsicle sticks. All are involved in some aspect of learning to become experts on early American life.

PLANS FOR the fair include features to entertain all age groups in the community. Dressed in colonial costumes, some students will demonstrate their knowledge of such early American crafts as soap and candle-making, outdoor cookery, needlepoint and macrame. Others will pose as gunsmiths

and experts in military dress and strategy, and Indian lore. Puppet shows and skits will be performed at intervals during the afternoon.

"Doctors of colonial medicine" will be available for consultation and diagnosis.

"The efforts of the eighth grade students involve considerable time and research. They are eager to share their handiwork and expertise with the public. Come with your family and join them," Mrs. Campagna said.

NOTICE

The village of Antioch will be flushing fire hydrants beginning Oct. 13th for a two week period.

ABC's of Travel

By BARB CORBIN

Credit card purchases made abroad are cited as a source of overcharges. The traveling public may be losing millions of dollars a year by not carefully checking credit card company statements on purchases made in foreign countries.

Overcharges are resulting from faulty conversion of foreign currencies to U.S. dollars by the credit card companies. Too often, travelers neglect to make note of the rate of exchange in effect at the time of a foreign purchase, and this rate is not always recorded on their sales receipts.

Conversion into dollars is made later by the credit card companies, and it appears that customers are frequently billed at a less advantageous rate of exchange. The card companies appear to be prompt in adjusting billings when a cardholder complains, but in most cases the customer is too trusting to check for errors of this type.

I would like to remind you at

this time to keep records of foreign exchange rates in connection with your overseas purchases as of that day. In some countries, the rate varies daily so be sure and have it recorded on your sales slip or credit card copy of the transaction. If you do a lot of foreign traveling, this can save many dollars with little or no extra work.

Musicians? Lots of Them!

About 360 grade school musicians are expected to be marching in Saturday's Antioch High School Homecoming parade, which begins at 10 a.m.

Larry Wagner, director of the grade school band program,

said that about 300 beginners will be marching proudly with their new instruments.

This is in addition to the regular 60-piece grade school senior band, with its flag corps and rifle corps.

60th Year for St. Ignatius

St Ignatius Episcopal Church of Antioch will celebrate its 60th Anniversary at 8 p.m. Friday. The public is invited to participate.

The Rt. Rev. Quinton Primo, Suffragan Bishop of Chicago, will celebrate Holy Eucharist. Rev. Theodore Bessette, rector, and Rev. Edmond Hood, former rector, will be concelebrants.

A reception will follow in the parish hall.

manship, Dr. Boarini produced a letter from none other than president of the United States Olympic Committee, Philip O. Krumm, who has his offices in Antioch. Mr. Krumm noted, on Dr. Boarini's behalf:

"It has been brought to my attention that a question has arisen as to the official authenticity of the No. 11 and the No. 15 golf clubs as used by Dr. John Boarini.

"We would like to bring to the attention of those who have brought up this question the fact that back as far as 1780 such clubs were used in Scotland.

"A survey of the matter points out specifically that in order to use a No. 11 and a No. 15 wood, which are very effective clubs, the golfer has to be more or less an expert because such clubs in the hands of novices can not give satisfactory performance.

"So there can be no further question, The United States Olympic Committee wishes to advise anyone concerned with the matter; these clubs are very effective, popular and entirely legal in every aspect."

It begins at 7 o'clock and is open to the public by reservation.

One of the highlights will be an original gown and coat worn by the immortal actress, Jean Harlow. A model from Chicago will be wearing the Oleg Cassini creations.

"We're inviting people to slip back in time to a beguiling state of mind," said Jeff. "Imagine an area within the club transformed into a posh supper club setting of the 1930s, where

pulses quicken by the dazzle of mirrored surfaces and the shimmer of white satin ... Picture leggy waitresses in top hats and tails assisting you to a glittering array of hors d'oeuvres offered from a mirrored stairway to the stars."

Music will be by "Just Three Plus One," a group that has been playing the Drake, Palmer House and Blackstone in Chicago.

"They will provide a repertoire including shades of Benny Goodman, Glen Miller and Tommy Dorsey," Jeff said. "It is suggested that guests attempt to dress from the era - only to more thoroughly enjoy the spirit of the evening."

Police Chase Car at 100 mph

A 23-year-old Fox Lake man apparently confused Rt. 59 with the Indianapolis Speedway.

He led police in a chase that reached speeds up to 100 mph from Antioch to Rt. 132 in Fox Lake Hills.

Officer Harold Mason of Antioch spotted a white 1966 Buick shortly after midnight a week ago and, with radar, clocked the car at 60mph in a 40mph zone on Rt. 173, near Tiffany Rd.

Mason went in pursuit and the driver turned south on Rt. 59 and began accelerating toward 100mph. Two Lake County squad cars tried to intercept

him at Grass Lake Rd., but the driver eluded them and continued at the frightening speed until he went off the road, into a lawn, near Rt. 132 and Monaville Rd.

He jumped out and took off on foot, Mason said, the car finally coming to a halt after hitting a highway sign and a telephone pole. Several police officers searched the area with no luck, but they soon traced the car to 23-year-old John R. Congdon of Fox Lake. He was arrested for reckless driving and fleeing and eluding police officers. His bond was set at \$3,000.

THE SEQUOIT CREEK enclosure project began last week, just north of Main St. and west of Depot St. The creek is being widened and enclosed to help prevent flooding in the village. It also will allow the future extension of Depot St. to the west, alleviating traffic problems in the downtown area.

LIONS CLUB member John Teresi thanks a friendly motorist who has just put money in a canister to help the club's "Candy Day for the Blind" fund-raising project. Antioch Lions took turns soliciting donations from motorists passing through the village business district Friday and Saturday. Bill Barr was chairman of the project.

ACHS Alumni To Show Spirit This Saturday

The Antioch High School Alumni Committee has requested all attending alumni and parents at the Homecoming football game this Saturday to wear old Antioch school sweaters or school colors.

There will be alumni members present at the gate for donations towards the alumni float, which will be entered in the Homecoming parade.

Any funds remaining, after float expenses, will be reserved for next year's alumni float. "Come on alumni! Let's show the kids the real school spirit. Attend Homecoming and support your Sequoits!", said Jim Fields, a spokesman for the alumni.

Across the moon is pencilled a flight of geese.

Mice will want to come into your house now . . . Pablo Casals died Oct. 22, 1973 . . . Full "Hunters" Moon Oct. 20 . . . Full moon this month without frost, no frost until next full moon . . . Average length of days for the week, 10 hours, 44 minutes . . . Jet age began Oct. 26, 1958 with first Paris to New York flight with paid passengers . . . Pike's Peak Railroad completed Oct. 20, 1890 . . . Things one foresees another takes.

Old Farmer's Riddle: How can you quiet down a loud overcoat? (Answer below.)

Ask the Old Farmer: For many years I have heard that when "the sun is over the yard-arm" it is permissible to take a drink. What time of day is meant by this? Camden, N.J.

Eight bells, Noon, generally speaking. Anciently and perhaps still, seven bells, or 11:30, in the British Navy. Coastal folks use the expression to refer to summer.

Home Hints: A coat of self-polishing wax on workshop tools will keep them free from rust and protect the cutting edges . . . Riddle answer: Wear a muffler.

OLD FARMER'S WEATHER FORECASTS

New England: Generally hot to start, then heavy rain; clearing and cooler by weekend.

Greater New York-New Jersey: Early week warm, then turning cooler; possibility of hurricane midweek.

Middle Atlantic Coastal: Most of early week sunny, but possibility of hurricane midweek; rain by week's end.

Piedmont & Southeast Coastal: Hurricane possible midweek in central and north; drought continues in south.

Florida: Entire week alternately clear and somewhat cloudy, but clear in north on weekend.

Upstate & Western N.Y.-Toronto & Montreal: Indian summer weather all week, except for possible hurricane latter part.

Greater Ohio Valley: Most of week rainy, with heavy rain in east latter part and possibility of hurricane.

Deep South: Showers to start, locally heavy, then clear; turning cold by week's end.

Chicago & Southern Great Lakes: Cloudy with intermittent rain throughout most of week, then becoming clear by weekend.

Northern Great Plains-Great Lakes: Entire week has fairly heavy intermittent rain in central and east; sunny and cold in west.

Central Great Plains: Clear in west throughout; some sun, intermittent showers and mild temperatures in central and east.

Texas-Oklahoma: Clear and hot, with some thunderstorms, through midweek; cooler latter part.

Rocky Mountain: First part of week clear and cold; rainy and warmer in north by weekend.

Southwest Desert: Mostly clear and very warm with highs near 80 all week.

Pacific Northwest: Generally sunny and fair through to weekend; rain at week's end.

California: South becoming clear by midweek; generally clear and pleasant in north.

CHECK FOR CANDY DAY - John B. Fields, vice president of the State Bank of Antioch, presents a contribution check for \$410.40 to Bill Barr, chairman of Antioch Lions Club "Candy Day." The donation from the bank covers the cost of candy given out last Friday and Saturday. Lions Club members worked in shifts throughout the village. Proceeds from the two-day fund drive for the blind totaled in excess of \$4,000.

Bicentennial Ceremony Impressive

Several hundred persons came downtown Sunday afternoon to participate in Antioch's "American Revolution Bicentennial Designation Ceremony."

The brief program was impressive and meaningful, highlighted by the raising of the American flag and then the raising of the official Bicentennial flag right beneath event.

The event was held in the village park near the water tower. Some citizens came in Bicentennial costume.

William E. Brook, chairman of Antioch's Bicentennial Commission, served as master of ceremonies and gave a brief

talk, explaining how the celebration is focusing on three areas: heritage, festival and horizons.

"We can expect some tremendous projects from our educational institutions in the next year," Mr. Brook said.

State legislators and mayors of several nearby communities attended the program. Mayor Robert C. Wilton presented a red maple tree to Mr. Brook and, in a brief ceremony, it was planted in the park as a memorial to the occasion.

The Antioch High School band and color guard participated in the event, providing music and

raising the flags.

The guest of honor and main speaker was James W. McMillen, who was mayor of Antioch in the 1950s and is recognized as one of the community's leading and favorite citizens.

Mr. McMillen gave a very short talk, sprinkled with humor, and became serious only when he said:

"I have always boosted Antioch around the country as the finest small town in the United States; with the finest friends and neighbors a person could have."

with a \$6,000 income would get a refund on their property taxes for everything between \$240 and \$740. If their property taxes were \$600, for example, they would be eligible for a refund of \$360. If a rental couple with a \$6,000 income paid more than \$100 per month rent they would also be eligible for a refund.

I know the formula can be confusing but more than anything else I hope that every retired couple with an income of less than \$10,000 will take steps to see if they are eligible for a refund under the "Senior Citizens and Disabled Persons Property Tax Relief Act."

NAMES in the News

Karen Yopp of Antioch and Barbara Polsgrove of Lake Villa are among the candidates for Homecoming Queen this weekend at Illinois Wesleyan University in Bloomington. Students are voting today on the 11 candidates and the winner will be announced Friday night.

Karen is the daughter of Mr. and Mrs. Lawrence E. Yopp of Rt. 1, Antioch. She is a junior elementary education and psychology major.

Barbara is the daughter of Mr. and Mrs. R. Wayne Polsgrove of 1525 Ravine Drive, Lake Villa. She is a senior elementary education major.

Illinois Wesleyan's Saturday Homecoming game is against Carthage of Kenosha.

KIRK DALGAARD of 627 Main St., Antioch, served as publicity chairman last weekend for Homecoming festivities at Illinois State University in Normal.

Kirk's parents, Mr. and Mrs. Bruce Dalgaard, attended the Homecoming celebration. Kirk is a senior majoring in speech communications and is presently working with WRAV television in Peoria.

Dr. Fred L. Bobzien left last Saturday with his wife and son for a surgical seminar in San Francisco, where he will be accepted as a fellow in the American College of Surgeons.

After the ceremony, he and his wife Ruth, and son Rhett, plan a short vacation touring the San Francisco area before returning home.

Astro- Analysis

By Sonia

ARIES [March 21 - April 19] — Accept your share of responsibilities; joint relationships can be fulfilling if you are willing to break old habits. Be receptive to new ideas.

TAURUS [April 20 - May 20] — Try to deal with personal obligations without expecting others to pitch in. Your knack for details may slow down the pace but the initial outcome is worth patience.

GEMINI [May 21 - June 21] — Try to avoid being impulsive; by directing energy to more productive ventures you are able to put your efforts to good business practices.

CANCER [June 22 - July 21] — You are more comfortable in the company of old acquaintances. Center your activities closer to home, plan to do some entertaining, including family members.

LEO [July 22 - August 21] — By being on the go and keeping abreast of things you may get a chance at some new and promising opportunity. Mental faculties are quite sharp now.

VIRGO [August 22 - September 22] — Avoid spending sprees that are extravagant. Shop for bargains and use common sense without appearing to be a penny pincher. Personal possessions bear watching.

LIBRA [September 23 - October 22] — Try to keep activities directed toward one cause at a time rather than scattering attentions too thinly. It's easy now to present the impression that you are a bit harem scarem.

SCORPIO [October 23 - November 21] — Keep spirits high by concentrating on helping others. More personal gratification is derived by being charitable now than by becoming too self-centered.

SAGITTARIUS [November 22 - December 20] — Don't jump hastily to conclusions; acquire a more conservative attitude and demand more time alone. Recognize the importance of having a quieter meditative environment.

CAPRICORN [December 21 - January 20] — Although social approval is important to you try to ignore criticism and turn a deaf ear to idle gossip. Your best achievements come by total concentration.

AQUARIUS [January 21 - February 19] — Unexpected benefits can come from distant kin — be on the lookout for good news. Plan to take a trip if at all feasible. New opportunities come from afar.

PISCES [February 20 - March 20] — Interests in the occult may be increased of late; with heightened perceptivity, it's a good time to work on developing those talents. Follow hunches — they're usually correct.

People & Events

RUSSELL G. (Bud) Holtz, Antioch township assessor, has completed a five-day Master Course examination given by the Illinois Property Assessment Institute. He received an attractive certificate designating him a Certified Illinois Assessing officer.

Ronald J. Long, son of Mr. and Mrs. Richard L. Long Sr. of

Rt. 3, Antioch, has received his first promotion in the U.S. Air Force.

Promoted to airman, Ronald recently completed basic training at Lackland, Tex., and is now assigned at Malmstrom AFB, Mont. He serves as a heating systems specialist with a unit of the Strategic Air Command. Airman Long attended Antioch High School.

1. Life Safety work at Oakland, plus a music room and library. (\$337,635)

2. Life Safety work at Antioch, plus an additional room and library. (\$458,697)

3. A new K-5 building with 19 classrooms, a general purpose room (P.E. & hot lunches) and a library. The 19 rooms include two kindergarten rooms and two special ed. rooms. (\$1,465,228)

4. \$100,000 contingency fund for unforeseeable needs. The sewage and water systems at Antioch both need major repairs. It is impossible to tell exactly the problems which may arise until they are dug up.

PROJECT AMOUNTS are: Oakland, \$337,635; Antioch, 458,697; New School, 1,465,228; Contingency, 100,000; Total, \$2,361,560. State Grant, 961,560; Local Referendum, \$1,400,000.

There now are 161 children from Oakwood Knolls attending Oakland. When the new school

is built the Oakwood Knolls children will attend the Antioch school. This will relieve Oakland of the portables and allow for an approximate student expansion of 100.

To make room in the Antioch building for the children from Oakwood Knolls and at the same time free-up the building for some slight enrollment increase, about 175 children from the area west of Antioch will go to the new school.

All of the Channel Lake children will go to the new school. This will still allow for an increase in enrollment of approximately 100 for the new school.

THE TAX increase will be between \$2.50 and \$3 for each \$1,000 of assessed valuation. The equalized assessed value is on each property owner's tax sheets. Multiplying the equalized assessed value on the tax form by .003 would give each home owner the maximum tax increase.

SCENE OF OKTOBERFEST -- A 5-day celebration is planned at the Dortmund Inn Saturday, Oct. 18, through Wednesday, Oct. 22. The Dortmund, a mile and a half west of Antioch on Rt. 173, features German foods, imported beers and wines, and live music and dancing. Reservations are being accepted by phone, 395-1241. German musicians from Chicago will be at the Dortmund Saturday and Sunday and a three-piece band will perform Monday, Tuesday and Wednesday.

Women of The Moose

Three new candidates have been enrolled in Antioch's Women of the Moose.

They are Sandra K. Heitz, Eva M. Heitz and Dorothy Lindberg.

Chapter pins were received by Florence Donnolly and LaVerne Cybul.

Dorothy Trawlewski has achieved the "green cap" honor.

Moose members and their guests have been invited to attend a card party this Saturday at 8 p.m. A Halloween party will be held Sunday, Oct. 26, from 2 to 4 p.m. for children of members.

Where should people vote? Those in Oakwood Knolls, those living east on North Ave. and those living on Deep Lake Road north of 173 will vote at the Antioch Lower Grade School, even though the pupils attend Oakland. All other voters will

vote at the building where the kindergarten through fifth grade children in their neighborhood attend school. (Antioch, Channel Lake, Oakland.) The polls will open from 9 a.m. to 7 p.m. Saturday, Oct. 18.

Saturday's Bike-A-Thon To Benefit Cancer Society

Bicycle riders of all ages will be pedaling away from the Antioch Fire Department at 10 a.m. Saturday to cover a seven-mile route for the benefit of the American Cancer Society.

Pres Reckers, Lake County chairman of the event, said entry blanks are available in

area schools, at the police department, and at the State Bank of Antioch, the Shoe Box, Walsh's All-Seasons and Antioch Bowling Lanes.

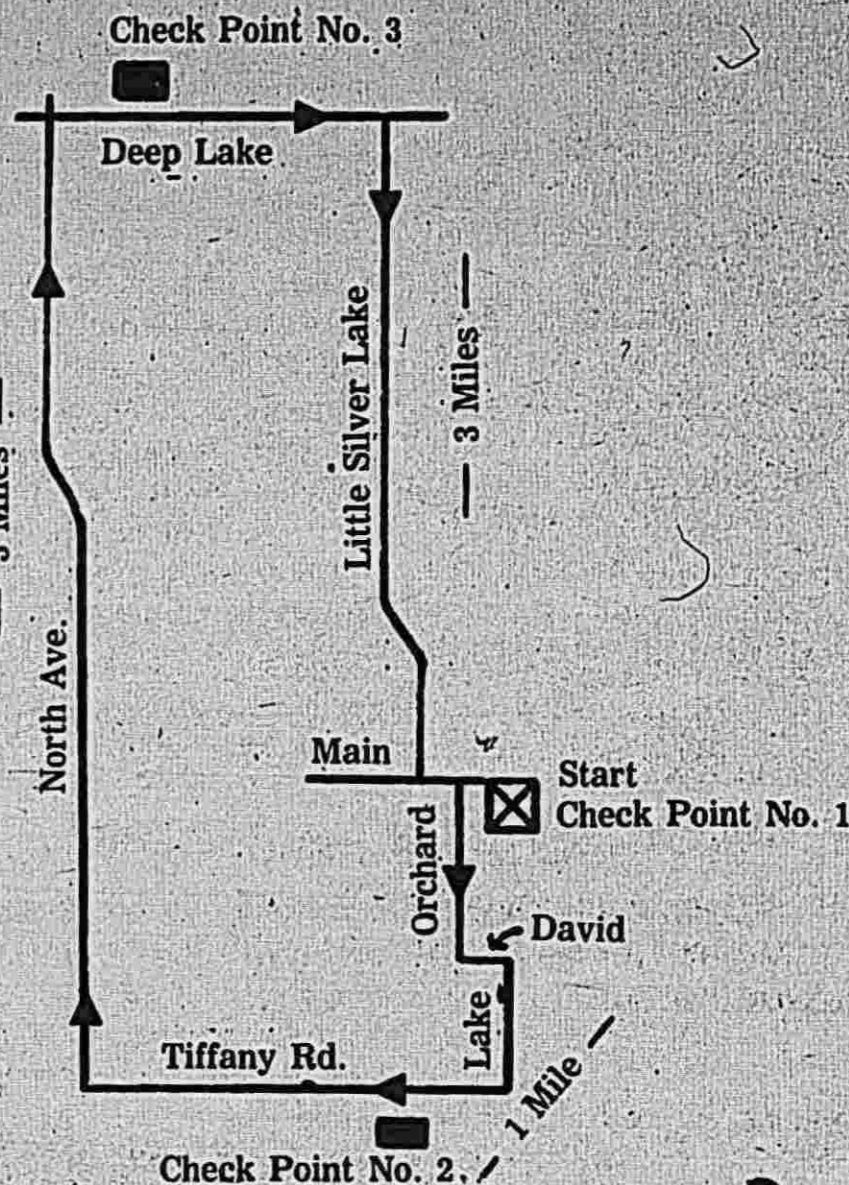

Participants are encouraged to ride the Antioch route as many times as they are able, but no one may pass through

checkpoint one at the fire department after 3 p.m.

The Bike-A-Thon starts at 10 and may begin only from the first checkpoint at the fire department. Other checkpoints are the Antioch Evangelical Free Church and the Atwood residence on Deep Lake Road, south on North Ave.

THOSE WISHING to participate should obtain as many sponsors as possible prior to the ride date.

Parents, teachers, friends, relatives, neighbors, merchants, businesses, etc., are good sources and they may be asked to sponsor riders for each mile they ride. For instance, a good starting pledge would be a dime a mile

4 Predict Score In Football Contest

The forecasters are getting better and better in the Antioch News football contest.

Last week four contestants picked Antioch to beat Warren by three points. The final score: Antioch 13, Warren 10.

To determine the prizes, we had to use the tie-breaker again: the Bears-Lions game. The Lions beat the Bears by 20 points and that's exactly what Br. Edwin Mitchell of St. Benedict's Abbey said they would do.

SO HE wins first prize, a \$15 savings account at the State Bank of Antioch.

Second prize, a \$10 gift certificate at A&B Printing, goes to Patti Wilton, who picked Antioch to win by three and the Lions to win by 16. Not bad at all!

Third prize, a \$5 gift certificate at Rittenhouse & Embree Lumber Co., goes to Melannie Smith, who picked Antioch by three and the Lions by 12. Melannie tied for second in the contest three weeks ago.

Shayne Schroeder of Lindenhurst also picked Antioch by three, but he picked the Lions by 10 and therefore placed fourth in last week's contest.

OTHERS WHO came close included Keith Radke, who selected Antioch by four and the Lions by 20. Three persons picked Antioch to win by five points: Shirley Gutowski, Tim Vander Meer and Tufts Traves. Shirley correctly predicted that the Lions would beat the Bears by 20.

Picking Antioch by one point and the Lions by 21 was Jean De Boer.

Another contest appears in today's paper. Be sure to get your entries in before the 2 p.m. kickoff. It's Antioch vs. Lake Zurich in the Homecoming game at the Antioch field.

Sequoits Win Again! Homecoming Is Next

It took six games, but Antioch's Sequoits finally have convinced everyone that they're contenders for the Northwest Suburban conference championship.

What can you say about a team with a 5-1 record, except that it's a good, tough ball club? A team that has upset pre-season favorites like Woodstock, Wauconda and Warren.

Warren was the most recent victim. The Sequoits beat them 13-10 during last Saturday's journey to Gurnee.

AND THAT makes this Saturday's Homecoming game all the more exciting.

The visitors at 2 p.m. Saturday will be Lake Zurich's Bears. It should be an interesting duel. Lake Zurich has a respectable 3-3 record in the evenly-balanced conference. Antioch can't let down.

The Sequoits need to beat Lake Zurich in order to keep alive their hopes for a share of the championship. Grant (6-0) is the Oct. 24 foe, but Coach Roy Nelson says "we aren't looking ahead to Grant, we're playing them one at a time. This week it's Lake Zurich."

Lake Zurich was one of the teams that had title hopes at the

beginning of the season, and the bears played a good game against undefeated Grant for three quarters last week. They trailed by only 14-6 until Grant got two last-period touchdowns.

Lake Zurich has a running back named Dave Helmer who has scored six touchdowns this season. The Bears also have a "shotgun offense" with quarterback Dave Moenning throwing to any one of several receivers. Grant's coach said:

"Lake Zurich gave us a tough game." The Bears held Grant to 114 yards rushing, but got whipped by Grant's super passing attack.

WARREN PLAYED better than Antioch in the first half last Saturday. The Blue Devils moved for eight first downs to Antioch's three, but the only scoring was a 28-yard field goal that gave Warren a 3-0 halftime lead. Just as the half ended Antioch stopped the Blue Devils on the 2-yard-line.

"That boosted our spirit," said Antioch's Coach Nelson. "They were rough and they were set for us, but the turning point came in the third quarter when Keith Evanson punted to

their 29, they fumbled, and we recovered."

Quarterback Jon Bodin hit end Dan Vos with a 29-yard touchdown pass and Antioch

had a 6-3 lead.

"A Warren player tipped the ball, but Vos battled for it and won," Nelson said.

Antioch scored again early in

the fourth quarter after intercepting a pass on the Warren 44. The Sequoits marched to a touchdown in nine plays with Paul Petty making most of the yardage. Tim Sheppard scored from the 5 on a crossback and it was 12-3. Dick Kessler's kick made it 13-3.

A last-quarter touchdown by Warren closed the gap to 13-10, but that was the end of the scoring.

"THIS ANTIOCH squad's seniors had never beaten a Warren football team," said Nelson. "It was nice to defeat last year's champions on their field and at their homecoming."

"It was team effort," Nelson said. "Everyone had a hand in the victory. Chris Walpole and

Two new ways to save taxes

If you're not covered by a qualified pension plan where you work, a new law lets you set aside up to \$1500 a year in a tax-deferred Individual Retirement Account (IRA).

If you're self-employed, you can put aside up to \$7500 a year in your own tax-deferred Keogh HR-10 retirement plan.

You don't pay federal income taxes on the funds set aside in these plans until you retire. But your plan must comply with the requirements of the new law.

FINALISTS in Rittenhouse & Embree's "Grand Slam Trip for Two" contest were (seated, from left) Mrs. Verle Swenson of Camp Lake, Mrs. William McCarthy of Oakwood Knolls and Mrs. William Hart of Cross Lake. Standing (from left) Francis (Bud) Scichowski, general manager of Rittenhouse & Embree Co.; Lyle Wilson of Antioch, Louis Barthel of Wisconsin, Roland Baur of Antioch, Herb Nader of Woodridge, William Sheehan of Lake Shangrila, Louis Stahl of Antioch and Glenn Davis of Antioch. The winners of the trip to Mexico City were Gus and Evelyn Magnesales of East Loon Lake, who were pictured in last week's paper. In a unique, exciting contest, the 12 persons eligible for the trip were invited to a cocktail party at Antioch Country Club. A movie of a horse race was shown and each person given a horse. Evelyn Magnesales' horse was the winner.

Bike-a-Thon Sunday For Allendale Boys

The Allendale Service League of Libertyville-Mundelein will sponsor its annual Bike-a-Thon on Sunday from 12 noon until 5 p.m.

Starting point will be the Copeland School, and the finish will be at Butler Lake Park, with refreshments for the participants at check point 3 only. Mrs. Dale Shepard of 714 Valley Park Drive, Libertyville, encouraged all interested persons to get their sign-up sheets from Sawyers Pharmacy, Mundelein; Mundelein High School; College of Lake County; Park-Way Foods; The Snowflake; Cook's Schwinn Cyclery or Libertyville High School.

Participants will ride for Allendale School for Boys of Lake Villa. This is the second year the Service League has sponsored the Bike-a-Thon to support its work for Allendale.

In the past year the league remodeled the first floor of Becker House, Allendale's

group home in Waukegan.

The Bike-a-Thon also provides funds for the league's other projects for the Allendale campus: Halloween Party, Christmas gifts, and support for the token economy store.

Mrs. John Fogle, president of the Service League, is seeking the support of the entire community for this cause and has, with Mrs. Shepard, set a goal of \$5,000.

A 10-speed bicycle is first prize and a \$40 gift/certificate also will be given.

Vikings Win at McHenry

The Antioch Viking football teams swept a double header at McHenry Sunday.

The Lightweights triumphed 25-6 and the Heavyweights 19-6.

Steve Jenerich scored twice for the Lightweights, first on a 75 yard run and then on a 55 yard pass play from Mike O'Brien.

O'Brien scored on a quarterback sneak and tossed a touchdown pass to Terry Sheppard, the play covering 45 yards. Coaches credited Kevin Murphy with outstanding defensive play.

The Heavyweights came from behind in their game. Dennis Flaschner ran 58 yards for Antioch's first touchdown to tie the score at 6-6 at the half. After the intermission, the Heavyweights stopped McHenry cold and Bob Rumps intercepted two passes, one for a touchdown and the other setting up a seven yard TD run by Dan Verkyen.

Ray Scarpelli also intercepted a pass for Antioch.

Coaches said Mike Fox, John Eckert and Tony Mingerelli spearhead the Antioch defense.

Last Saturday the PeeWees won 27-0 at Grayslake

Antioch Sophs Lead Conference

Antioch High's sophomore football team took over the lead in the conference soph race last Saturday, beating Warren 7-0.

Coach Bartosc's sophs now have a 5-0-1 record and Warren is 5-1, having been unbeaten going into Saturday's game.

Antioch's touchdown was only the second that the Warren sophs have relinquished this year.

The Sequoits scored on a 13-yard run by Brian Andrews, quarterback, who rolled out to pass, saw an opening and ran the ball into the end zone. Al Moore kicked the extra point.

Antioch ran 57 plays for 237 yards and 9 first downs. Warren was held to 99 yards in 30 plays and made only 4 first downs. Warren reeled off a 34-yard run on its first play, but Antioch's

defense clamped down and held them to 33 yards total running in the half.

Tom Huebner gained 58 yards for Antioch in 16 carries. Andrews finished with 30 yards in seven carries.

"It was a team effort," said Coach Bartosc. "The defensive team really deserves a pat on the back."

Warren crossed midfield only once in the game.

The Antioch sophs will play Lake Zurich at 12 noon Saturday here in the prelude to the varsity's homecoming game.

4-0 Record For Emmons

Emmons grade school clinched at least a tie for the Big Six football title as it squeaked past Spring Grove in a 12-7 thriller. The victory gives Emmons a 4-0 conference record with one game to play.

The defending conference champions scored twice in the first half to take a 12-0 lead. Emmons' first score was set up by a 30 yard run by Bill Buckmaster, who brought the ball to the one-yard-line. Dan Johnson ran up the middle for the score. The second TD came on a 25-yard pass from Mike O'Brien to flanker Gary Volling. Volling made a spectacular finger-tip catch and took the ball in for the score.

In the second half, Spring Grove's defense, led by linebacker Steve Dussey, held Emmons scoreless. Spring Grove's TD came on an

interception of one of O'Brien's passes.

Steve Sheedlo made his second interception of the year for Emmons. Coaches also praised the play of Jerry Drije and Dave Berchtold on defense and guard Pete Weber on offense.

The Emmons girls volleyball team raised its record by defeating Spring Grove 15-6, 17-15. This gives the girls a 2-1 mark on the season. Coach Kathy Urzadowski praised the efforts of Diane Grohs, Laura Dubek, Jeanie Cilik and Shelly DelPeschio.

Bicentennial Flags Enhance Downtown Area

The Antioch Chamber of Commerce and Industry has hung three sets of bicentennial flags in the downtown and plaza areas. In addition, American flags have been hung at intersections.

The flags will hang until Christmas decorations are put up and then will be rehung in spring.

Among the bicentennial flags are the Bunker Hill flag, Washington's Cruisers flag, the Grand Union flag, the Betsy Ross flag, the first Navy Jack, and the 1814 Star Spangled Banner.

SECOND GRADERS at the Lower Grade School filled "Bicentennial" balloons with helium last week, with the help of Elliot Kull from Kull's Welding. From left: Tammy Thompson, Shawn Reimer, Dawn Guthrie, Kristen Christensen, Silvia Silva and Julie Moran.

the other cheerleaders, and the parents of the players, decorated the bus for the trip over. Then they gave our boys a super welcome when they took the field. The spirit of the Antioch fans and our bench really helped."

"The team made very few mistakes," Nelson added. "They learned their assignments well in last week's practice. The game was physical and it's difficult to pick out any one player, defense or offense. They all did the job. Bruce Kecskemeti, Rich Dauck, Rich Coles, Mitch Witt, Paul Petty, Tim Sheppard, Jon Bodin, Tom McAvoy, John Kakacek, Don Norwick, Bob Ducato ... they were some of the squad members who did the job on defense."

"Jon Bodin, Dan Vos, Sheppard, Petty and Chris Boarini helped do it on offense."

Bodin completed three of eight passes for 53 yards and one touchdown. Petty gained 41 yards in 14 carries and Sheppard gained 26 in 7. Evanson punted 7 times and averaged 33 yards a kick.

Bodin and McAvoy each intercepted two passes and ran them back for 23, 16, 19 and 24 yards. McAvoy's interceptions came in the last four minutes when Warren was trying to pass for what could have been a winning touchdown.

ion is perfect, as is their timing.

And there are others in the cast, such as Lyn Zaehler, Dee Baum, Gary Richter and Don MacKenzie, who could carry a show by themselves but are content to support the stars and contribute to the entertainment that this production provides. In one scene, Mr. Richter gives a remarkably accurate portrayal of a young man who has become inebriated.

A young lady right off the Antioch High School stage will catch your eye. She is soft-spoken, but poised, and we predict a bright future for Wanda Springer, who plays the daughter of Mr. and Mrs. Stanley.

AL BUCAR is outstanding in the third act, when he appears in the comedic role of "Banjo." Robert Lindblad will delight you as Mr. Stanley, and Valerie Hunley deserves much applause for directing this thoroughly pleasant production.

The great Moss Hart and George S. Kaufman wrote this comedy and the lines are beautiful.

Pat Jamison, as the actress Lorraine Sheldon, thinks she has landed a rich Englishman, Lord Bottomly, as a husband. She discards all of her pose, looks at the audience and says: "Not too bad for a broad from Kansas City."

KEN SMOUSE is the small-town doctor who wants Mr. Whiteside to read the book he has written on "the left kidney" and other important facets of his career.

"Could we start tonight?" he asks. "I have just one patient who is dying, and then I'm absolutely free."

Some of the lines are updated.

"Have you kidnapped someone, Mr. Whiteside?" he is asked.

"Yes," he says. "That's Jimmy Hoffa."

Get reservations, okay? I don't want you to miss this play, Jerry Pfarr

PM&L Plans Auditions

Director Bob Bundy has scheduled auditions for the next PM&L production, a family holiday show, "The Golden Grotto." Auditions will be held at 7:30 p.m. next Monday, at the PM&L Theatre, 877 Main St., Antioch.

"The Golden Grotto," by Cleve Hanbold, is the classic legend of The Frog Prince turned upside down in a fantasy for all ages. The play was originally dedicated to the great clown Joe E. Brown and has been called a "delightful comedy for children and bright adults."

Six women and four men are needed for the show, filled with outlandish characters with

potential parts for ages 16 to 80. Anyone interested in working on the show in a technical capacity is also welcome to report Monday.

Dates for "The Golden Grotto" are Nov. 29, Dec. 5, 6, 12 and 13.

POSING WITH the National 4-H Week display at the First National Bank last week were (front) Danny Lichter and (back row, from left) Violet Meuter, Carolyn VanPatten and Karen

4-H Week Observed

The Antioch Adventurers 4-H Club celebrated National 4-H week by placing its grand champion booth on display in the lobby of the First National Bank. The club received a trophy from the Farm Bureau for this booth. Each member also displayed a 4-H project.

Karen Kirschke and Violet Meuter participated at Lakehurst during 4-H week. They gave a demonstration in self-defense by showing the audience karate techniques they have learned.

Nippersink Canoe Base Is Planned

A new forest preserve near Antioch is being sought by the Northeastern Illinois Planning Commission (NIPC).

In McHenry County, 71 acres near Chain O'Lakes State Park would become the Nippersink Canoe Base.

The canoe base on Nippersink Creek would be on U.S. Route 12, south of Sunset Road in unincorporated Burton Township. The Bureau of Outdoor Recreation, Department of the Interior, is being asked to make a grant of \$33,000 toward the estimated \$66,000 acquisition cost.

By LOUISE GUTOWSKI

Hasn't this weather been fantastic? I hope it lasts for at least four more months and then starts to warm up. You can tell we are not snowmobile fans.

IN THE late Sunday night and early Monday morning hours last week the barn on the Gary DeWitt property was totally destroyed by fire. The Antioch Fire Department with the help of the Trevor department fought the blaze for nearly three hours only to have the Antioch men return at 6 a.m. to extinguish the still-burning hay.

Those firemen are the greatest and we of Antioch are very fortunate to have one of the finest volunteer departments in the state of Illinois. Gary and Dona were able to save the animals and some of their belongings from the blaze, but still lost a lot - including their snowmobile, saddles, tools, etc.

On Saturday morning, bright and early, some of the DeWitt's friends and neighbors arrived in

their work clothes with tools in hand to start the huge cleanup job. The helpers were Tom and Dorothy Chase, son Fred and daughter Kathy, Ron Lagerwall and son Brooke, Terry and Mark Simmons and friend Phil, Chuck Baker, Joe and Louise Gutowski, George Gavin, Lisa Minnow, Karen Klehr and friend Jay, along with all our little ones running their legs off. Gary and Dona cannot find the words to thank everyone for all their help.

TWO AREA couples became grandparents for the first time last week. Don and Barb Bjork are boasting about their new grandson who arrived on Friday, Oct. 10, at Lake Forest Hospital. Little Sean Clifton tipped the scale at 5 lb. 12 oz. and was 19 inches long. His proud parents are John and Stephanie Martin Bjork.

Also popping their buttons are Marley and Ellie Gauger who are bragging about their new granddaughter, Margaret Sadie. The little angel has been named for her two great-grandmothers, and weighed in at 7 lb. 10 oz. The happy parents are Dan and Michelle Gauger.

BEWARE parents, mumps are going around the Channel Lake school.

Mrs. Erna Fridell thinks the Antioch Police Department and Mayor Bob Wilton are terrific.

Recently, while in town, Mrs. Fridell had problems with her car and received assistance

from the mayor, who telephoned Chase's Service Station to fix the car and arranged a ride in a squad car to her card party.

She can't praise them enough and would like to thank them very much.

PAT AND Dick Harland, along with other parent chaperones, took their 17 Girl Scouts to Camp MaKaJaWan in Pearson, Wis. for a week-end campout.

While there, Laura Dodge of Grapevine Ave. fell from a rope on an obstacle course and broke her leg. She had to spend her camping weekend in the hospital and will be in a cast for a while.

RECEIVED WORD that George Pierce, who is attending the Air force academy in Colorado, had been selected as a member of the drum and bugle Corps and is playing at all the home football games.

George is a June graduate of Antioch Community High School and is the son of Katy and Bill Redman.

He was in basic training for six weeks and now begins classes.

JIM GUTOWSKI and Bob Young hosted a surprise birthday party last Friday evening at the Young home. The party was in honor of former resident Laurie McBain's 15th birthday and many of her sophomore friends were on hand to help her celebrate.

Art Doty along with his wife Kay and children journeyed to Monmouth College last weekend to attend his 20th class reunion.

Birthday greetings to Janet Bjork who celebrated last Thursday.

Don't forget the Homecoming festivities this weekend. Many of our grade school children will be marching in the parade on Saturday morning.

And don't forget to vote in the grade school referendum this Saturday!

Let me know the news.

LEGAL NOTICE TO BIDDERS NORTH AVENUE SANITARY SEWER AND WATER MAIN EXTENSION ANTIOCH, ILLINOIS

Notice is hereby given that the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, will receive bids at the Village Hall, 874 Main Street until the 3rd day of November, 1975 at 7:30 P.M. Central Standard Time, for the construction of the North Avenue Sanitary Sewer and Water Main Extension. Bids will be publicly opened and read at the adjourned meeting of the President and Board of Trustees to be held at 8:00 P.M. Central Standard Time on the 3rd day of November, 1975.

For the North Avenue Sanitary Sewer and Water Main Extension, the work to be done is as follows:

1. Construct approximately 290 lineal feet of 12" diameter and 50 lineal feet of 6" diameter water main and,
2. Construct approximately two (2) 12" diameter gate valves enclosed in 60" diameter precast concrete vaults and one (1) 6" diameter gate valves enclosed in 48" diameter pre-cast concrete vaults; and,
3. Install approximately one (1) fire hydrant along with necessary tees, valves and appurtenances; and,
4. Necessary surface restoration and incidental work such as pressure testing, chlorination, and sample testing of the water.
5. Construct approximately 375 lineal feet of 8" diameter and 75 lineal feet of 6" diameter sanitary sewer using ductile iron pipe and 70 lineal feet of 8" diameter sanitary sewer using P.V.C. pipe; and,
6. Install approximately three (3) 48" diameter precast concrete man holes; and,
7. Necessary surface restoration and incidental work.

All work is to be performed in accordance with the plans and specifications which are on file in the Village Hall, and at the office of Applied Engineering Company, 1450 South New Wilke Road, Arlington Heights, Illinois 60005.

All bids shall be submitted, on forms provided, to the Village Clerk on or before the time specified above.

Each bid shall be accompanied by a check, drawn on and certified to be an acceptable Illinois bank in an amount of not less than ten (10) percent of the total bid, made payable to the Village of Antioch, Illinois. Bid bonds or other substitutes will not be acceptable. The certified check shall be forfeited if the bidder fails to enter into a contract and furnish bond after his proposal shall have been accepted. The certified checks or unsuccessful bidders will be returned within 15 days of the award of a contract. The certified check of the successful bidder will be returned after he enters into a contract and furnishes a satisfactory performance bond.

The successful bidder shall furnish a performance and guarantee bond to the Village of Antioch in the amount of 100 percent of the contract.

Payment will be made in cash on the basis of approved progress estimates.

The work will commence within thirty (30) calendar days after date of written notice to proceed, and all work shall be completed within sixty (60) working days, after date of written notice to proceed.

The Contractor shall pay labor employed on the work, not less than the prevailing wage scale as required by State Statutes.

The Village reserves the right to defer acceptance of any proposal for a period not to exceed thirty (30) days after opening of bids, and reserves the right to reject any or all bids, to waive informalities or technicalities in bid, and to accept the bid which it deems to be in the best interests of the Village of Antioch, Illinois.

Bid documents are available from the Village Clerk for a non-refundable charge of ten (\$10.00) dollars for the project.

WE MUST SELL 12 near lake and lakefront sights about 3 hrs. from Chicago near the Wisconsin Dells. These will be sold individually with a shell home of the purchaser's choice at one total package price. We will sell out two-bedroom ranch home shell and basic 3/4 acre sight for \$9,995.00. Your choice of a three-bedroom ranch or A-Frame shell and our basic lot would run \$10,995.00. Excellent bank financing is available. Lakefront and some larger sights may run slightly higher. These are not pre-fab or pre-cut homes but are built from the ground up by our professional carpenters. They are beautifully finished on the outside and are studded and ready for you to complete on the inside. Because the oncoming winter weather would interfere with construction, all properties must be sold immediately. Our representative will be at the sight this coming weekend Oct. 18 and 19. Should there be anything left, it will be sold on the following weekend Oct. 25 & 26. This is an absolute sale. For further information or directions and reservations call broker at (312) 654-2282. IN MEMORIAM

IN LOVING MEMORY of our dar son and brother Melvin (Butch) Wohlfeil who passed away Oct. 14, 1954. 21 years have passed since God called you home. The years may wipe out many things but this they wipe out never, the memory of those happy days when we were all together. The rolling stream of life goes on but still a vacant chair recalls the love, the voice and the smile of one who once sat there. Take care of your brother John, and God bless you both til we meet again. Sadly missed by Dad and Mom and sisters, Elaine, Lois and Judy.

Sock-Hop, Tyrone Walls, Karyn Lombard ...

HOMEcoming 10 YEARS AGO

By BETSY ROSSEN

Tradition or fad? That's a good question when the subject is high school activities. To find out what an Antioch Sequoit homecoming was like a decade ago, we look to the October 1965 issues of The Antioch News.

"Sequit's Song of Victory" was the theme of the Oct. 15-16 festivities, which began Friday night with a public pep rally and bonfire behind the school. A sock-hop in the gym followed.

Floats by each class and many school and community clubs and organizations highlighted Saturday morning's parade. In addition, several bands added to the fun and color.

THE JUNIORS took first place honors for the best class float. The Science club won school club float competition; the Spanish Club, school club car. The business and civic float prize was awarded to Carl Seemann Cleaners, and The Shoe Box was judged the best in business and civic cars.

The football team exploded for 41 points in the first half, then coasted to a 48-31 victory over the Wauconda Bulldogs. The win moved the Sequits into a tie for second place in the Northwest Suburban Conference race.

Standouts for the home team included fullback Tyrone Walls, quarterback Tom Blackman

BETSY ROSSEN

and end Mike Sterbenz, under the coaching of Roy Nelson. Other players for Antioch included Wayne Hansen, Bill

Remember?

Sheldon and Jim Litchfield.

Varsity cheerleaders were Mary Kay Motley, Candy Bentel, Janet Sheehan, Donna Motley, Ruth Dyer and Glenna Burns. Christy Arendt served as faculty sponsor.

THE BIG weekend came to a climax with a dance Saturday night at the school, featuring music by Eddie Joy and his orchestra. The crowning of the

queen highlighted the evening, with Karyn Lombard receiving the honor. A senior from Central Baptist Home in Lake Villa, she reigned with king Tom Blackman.

Her court was made up of Carol DeSomer, Penny Garrison, Jackie Pyles, Linda Pierce and Betty Cheetham.

And that's the way it was: 10 years ago this week.

Retirement is when you look at the calendar more often than your watch.

Nowadays one of the chief problems is trying to work in a little sick leave between two three-day weekends.
